

[ASPIRA's National Board Blog](#) [1]

Hope you are having a great weekend. We have created a Board Group thorough which we can blog. I have invited all the members of the board to subscibe. I am happy that three people have already joined, ou Chair, Rafaela Colon (PA) and Sonia Sanchez (IL). I hope to subscibe everybody so we can start blogging. It will take some attempts until you become familiar with the system, but its worth it. As soon as I learn how to create a calendar for the board (and ASPIRA events) I will let you know, and I will let you know how to access it. Hope to comunicatre with you soon. Ron
