

## Representation in Corporate America

- [Log in](#) [1] to post comments

Latinos are woefully underrepresented in the Corporate boardroom, in the top levels of management, in the procurement of major corporations and in receiving philanthropy dollars from Corporate America.

ASPIRA supports

- the efforts of HACR to serve as an advocate for inclusion of Latinos in Corporate America in commensurate with the contribution of Latinos to Corporate America;
- programs that expose youth to the corporate setting and role models to encourage them to seek careers in Corporate America.
